The Hiring Manager
Dazzle
W1, Central London

Dear Hiring Manager,

Application for Cleaning Operative, W1 Central London

I am writing to apply for the Cleaning Operative position with Dazzle in W1, Central London. I am a BSc International Tourism and Hospitality Management student at the University of Sunderland in London, and I want to join a company that values customer care and its employees while I keep building my professional cleaning skills.

For the past ten months I worked as a commercial cleaner in Hoxton, London. I cleaned offices and commercial areas, used cleaning equipment and products correctly, kept work areas hygienic and followed health and safety procedures. I completed my tasks efficiently and kept my cleaning standards consistently good, so I am comfortable with the day-to-day duties of an office cleaning role.

Your advert asks for team players who do not give up easily. University group work and a field trip taught me teamwork, communication and responsibility. I communicate politely and clearly, finish my work on time and stay calm under pressure. I am hardworking, reliable, detail-focused and quick to learn.

I live in Mile End, with straightforward transport links to Central London, and I am eligible to work in the UK with a 20-hour weekly limit during term time. I would welcome the chance to discuss my application and can be reached on +44 7344 865183 or at grgankita1110@gmail.com.

Thank you for considering my application. I look forward to hearing from you.

Yours sincerely,

Ankita Gurung
